Customer Service Practices

Requirement: Remove or minimize barriers to accessing the SNAP Program and/or receiving benefits in a timely manner for individuals and families.

Description of deficiency:

Applicants are not informed when they call and/or stop in the office that the date the CAF Page 1 is received determines the date benefits begin. The agency must accept and file a CAF with only a name, address and signature.

County/Tribe completes 1 through 4 below.

1. Describe what caused the deficiency (ies) and how frequently it is occurring:

New staff and coverage by staff from other departments were not trained sufficiently to inform applicants when they call and/or stop in the office that the date the CAF Page 1 is received determines the date benefits begin. Some experienced staff also did not know or did not remember that informing applicants of this is required.

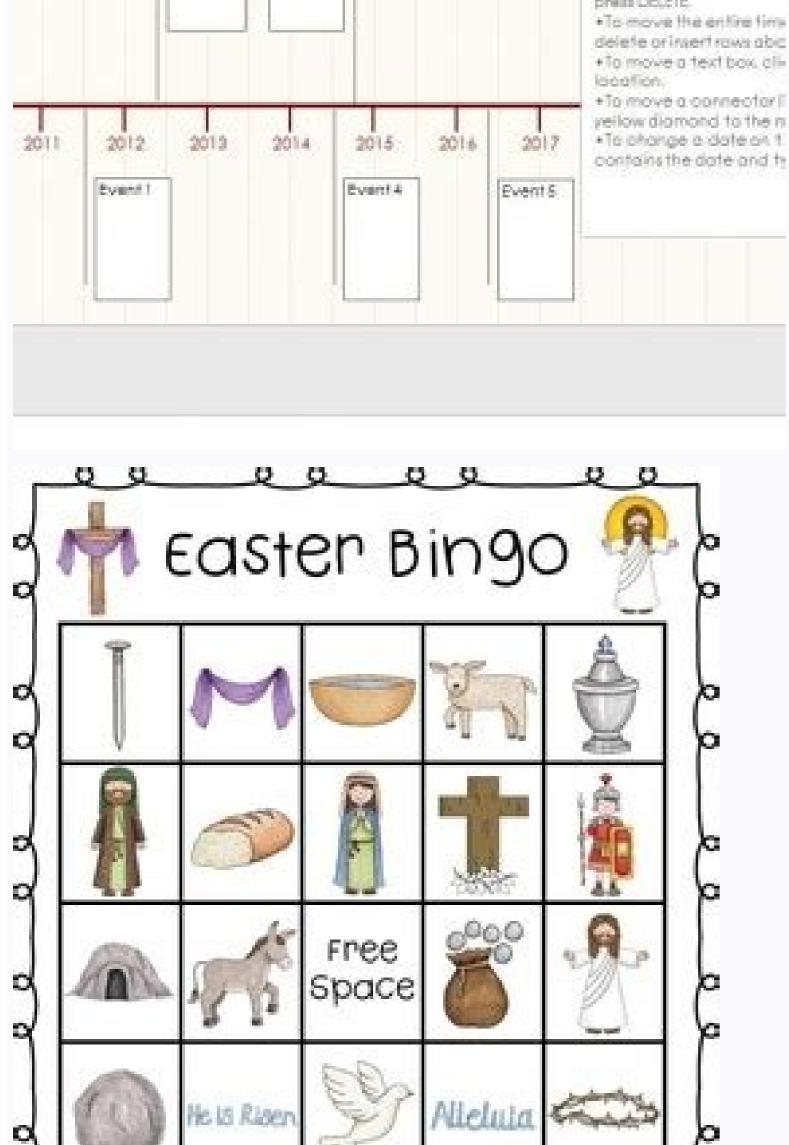

This is happening frequently, especially when an applicant calls the agency for information about applying for SNAP benefits.

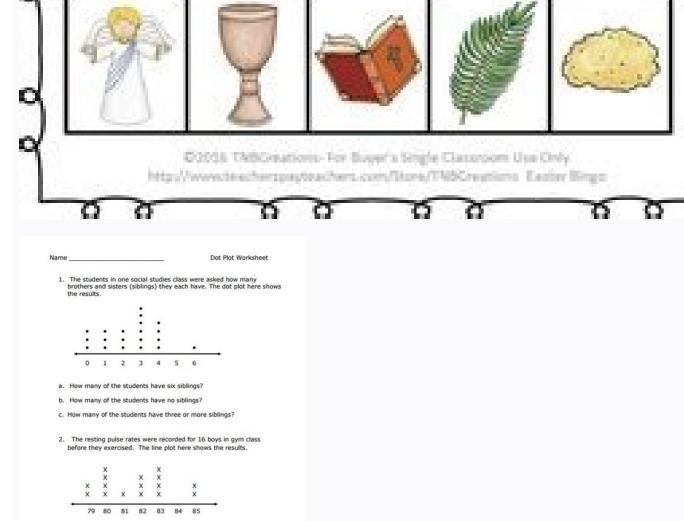

2. Describe the tasks and/or steps developed to resolve the deficiency, the position responsible for the activity, and the targeted completion date:

Description of task/step	Position responsible	Targeted completion date
Review requirements with all at weekly staff meeting.	Susie Supervisor	XX/XX/2014
Meet with supervisors of other departments to have them share the requirements with any staff in those departments that may offer coverage for financial staff.	Mary Manager	XX/XX/2014
Develop and distribute a cheat sheet for use by anyone who is providing information about applying for SNAP benefits. This cheat sheet will be available	Susie Supervisor	XX/XX/2014
