© 1996-2014, Amazon.com, Inc. or its affiliates If you are a mobile phone or tablet user, you will probably have heard people talk about Angry Birds, a game that creates dependence developed for touchscreen devices that has been very successful among users. The game stars a group of birds that have made the eggs steal from their nests. The award-winning Angry Birds, now on your PC. A group of pigs, tired of eating grass and looking for a better meal, stole the birds' eggs, and only you can help recover them. The PC version, which appeared later, takes Angry birds from cell phone to computer, and although it is a limited version it is always possible to download the full Angry Birds game to fully enjoy its content. Features 240 levels where you will be able to demonstrate your skills and strength. Logic game based on the laws of physics. Simple but highly engaging game system. Use birds as bullets, load them on the sling and destroy the pigs. Use the unique properties of each part of your pack to cause as much damage as possible or eliminate as much protection as possible. A classic mobile and tablet now on your PC The game system is simple and innovative. Use your harness to aim and break down the structures from every level where the pigs hide and defeat them so they can recover stolen eggs. You will use birds as bullets, taking into account that not all structures are made of the same material (wood, stone, glass, ice...) and not all pigs suffer the same kind of damage. Each bird specializes in a specific type of attack, so use your logic to achieve maximum score. As for graphics, you will notice that Angry Birds is simple but very effective. The action takes place in 2D scenarios and the characters are very colorful. Entertainment and guaranteed laughter AngryIt is a game full of humor and irony, which will offer fun moments and will make you laugh. Calculate the trajectory of your shots, make sure you eliminate all the le and retrieve the eggs. Download Angry Birds now. Don't let the balls get to the center!
