The minimum basic vocabulary lists are mainly intended as a guide for teachers to assist in the planning of work plans. Evaluation tasks at the level foundation require students to understand and respond to the words and / or forms of words that are not on the list of common or family vocabulary. Upper-level evaluation tasks require students to understand and respond to the words and / or forms of words that are not in the vocabulary list and that are less common or familiar than those used in relation to the Tier Foundation assessments. Vocabulary listed under a particular theme should be considered transferable, depending on the case, to the other thematic areas. Students will be required to have familiarity with female forms of nouns / adjectives in à €
