The story of the game remains the same except that the player's opponent will now be a familiar Ash character in the anime. A new map has also been added to bring a very new experience to the player. There are also diverse appearances of Pokemon from Gen 1-7 and the unique Mega Evolution form. This must be a game not to be missed if you are a longtime fan of the Pokemon series. Name: Pokemon Ultra Fire Red XD Type: GBA Hack of: FireRed Language: English Creator: PoClo A man lays on the floor of his brand-new Gym, sick and dying. He had just been beaten in a Pokemon battle, and it was only now that he was starting to realize that maybe he should have listened to his doctor's advice to get some rest. That man's name is Kanye East, Gym Leader of the Esfores Gym in Fochun. As he slips off into a coma, he dreams of Kanto. He tries to remember how great everything was before it all went south. If he can find peace in nostalgia, then perhaps he can die with no regrets. However, this isn't the Kanto he remembers. Where did all of these memes come from? Why do all of the trainers have stupid names and Megas? Maybe he'll never find the answers he's looking for. But honestly who cares, because it's really just an excuse to return to KANTOOOOOOOOOOOOOOOOO!!!!!!!That's right kids, this is Pokemon Ultra Fire Red XD, a spin-off of the insanely popular rom hack Pokemon Clover. This game has a lot of those precious Kanto mons you love so much, but it also throws in some of the new ones, as well as some of the greatest fakemon in rom hacking history! Creator: Maddy Styles and Arvin TorrenteVersion: CompletedHack of: FireRedUpdated: April 21, 2019 Pokemon Ultimate Mega FireRed is a Pokemon GBA Rom Hack by Maddy Styles and Arvin Torrente using Pokemon Fire Red Codebase/Engine in English. It is available to download now. The last update happened on April 21, 2019. Complete Overview and Walkthrough of Pokemon Ultimate Mega FireRed This game's storyline and main gameplay are similar to the original Fire Red, but there are some changes in the graphics and character sets. It is one of the best remakes by Maddy Styles and Arvin Torrente, who have included so many new features and updates that you will forget it is a remake of fire red like Pokemon Origin Fire Red 3D. Still, legendary pokemon are not catchable at all, and you can try them on for testing purposes, but you will eventually come to the conclusion that they are uncatchable. There are approximately 131 new types of Pokemon available from various generations, with the majority of them coming from Generations 4 and 5. Because they are from Generations 4 and 5, their moves are also from Generations 4 and 5. Even the move effects are being altered and transformed into new shapes and styles that you will undoubtedly enjoy. Speaking of the movesets of the pokemon and all of the game's basic and main characters, which are changed and transformed into a new shape. You will undoubtedly enjoy the new way they walk and explore the area, as seen in Pokemon Jeff ROM. One of the most important things we must do first explores the area and catch various types of pokemon. Basically, in order to discover, you must look and search for some amazing new pokemon, and you must not only look and search, but you must also catch them at the same time. For the time being, all legendary Pokemon from Generations 1 to 6 can only be caught through wild encounters using cheats. These kinds of features elevate the game and set it apart from any other pokemon rom hack of FireRed. The wild pokemon encounter is one of the game's most bizarre features. Briefly, The story still remains the same as usual, nothing was changed about this. You are Red, a young trainer of the Kanto region who will become a Pokemon Master much much later. You have a very big dream: beat the Elite Four, become the Champion of the Pokemon League in Kanto region, go to the unexplored lands and catch as many of new Pokemon as possible to fill the Pokedex. Well, these dreams are not so easy to do. With a fresh soul of a young Pokemon trainer who is on his way, you are Red, you will do that, right? Features This game is decapitalized fully.Some new features of the Pokedex.Physical/Special/Status split.There are 131 new moves of Gen IV and Gen V in total.The move effects, base power and accuracy for existings moves are updated.The movesets of Pokemon are updated also.Many new abilities.The new type Fairy.All Mega Evolutions and Primal Pokemon.You can have all Legendary Pokemon from Gen I to Gen VI by using cheats (in the future updates, cheats will be unnecessary).
