Pvz 2 chinese hack apk

Download APK XXXXXXXXXXXXXXXXXXXX Plants vs Zombies 2 title screen (Chinese) I've been waiting for the release of PvZ 2 since finishing Plants vs Zombies 1 about ten times, several years ago. Actually, to be honest I didn't know there would be a Plants vs Zombies 2 until PopCap announced it, but I've been waiting since then anyway. Yeah so when I heard that Apple delayed the release of PvZ2 on all platforms except iOS, I was pretty upset. So much so in fact, that I choked back my tears and went ahead and downloaded the Chinese version. Not only is this version Chinese, but it's been modded and you start with looooots of gems (about 10,000) and coins (870,000 or so) as per the below screenshot: Yeah and all the plants and stuff have been unlocked as well I think - see the below pic for an example of available plants (this is after completing 3 levels) So where did I get this wonderful version of this kickass game? Here: [Download Plants vs Zombies 2 \(Chinese\) \(Modded\) \(115 MB\)](#) I have tested it and can verify that it seems all good to me. All you have to do is download the file, transfer it to your android device, and open it. The installer should do its thing automatically, and you'll be kicking zombie butt in no time! Note that Avast! anti-virus doesn't like it at all, and wants it gone. This is normal. When I click the Plants vs Zombies 2 icon: it gives me the following message: I just click the 'Allow for 15 minutes' link and it goes away. So... it's still in Chinese! I don't understand a single character! It doesn't really matter. If you have half a brain, you'll click where it points you to click, and the rest of the time should be pretty self explanatory, particularly if you've played the original Plants vs Zombies. It's not difficult to figure out what to do. If you also can't wait for the October release date of the English version, and have trouble figuring out how to play the game, please leave a comment and I'll help out as soon as I can. What's New: v 3.0.1Break out your wetsuit, Big Wave Beach Part 2 is here! With 16 beachin' new levels, and Dr. Zomboss surfacing in his Zombot Sharktronic Sub, this update includes:• 3 fresh plants, like seed-spitting Guacodile• 3 new zombies, with armed-to-the-ink Octopus Zombie• Special-edition plant Sweet Potato• Smashing new content for Vasebreaker mini-game• Food Fight - pit bites against biters in this 7-day event (starts Nov. 26) Requires Android: 2.3 and Up Version: 3.0.1 What's in the MOD:UNLIMITED COINSUNLIMITED KEYSUNLIMITED GEMSPANTS UNLOCKED PLAY LINK: PLANTS VS ZOMBIES 2 Download Links:INDISHARE:PLANTS VS ZOMBIES 2 MOD APK+DATA HUGEFILES:PLANTS VS ZOMBIES 2 MOD APK+DATA UPPIT:PLANTS VS ZOMBIES 2 MOD APK+DATA TORRENT:PLANTS VS ZOMBIES 2 MOD APK+DATA Install APK,Place data folder in SDCard/Android/Obb/ and Play online at first time. uploaded by anniemarvel Use HappyMod to download Mod APK with 3x speed.
