This Montha S Virtual Book Club for Children Selected Author is Eric Carle and Co-hosts are characterizing activities and boats to do with 3 of his Booksa The Very Hungry Caterpillar, the small seed, mixed-up chameleon , And WEA you chose the very hungry caterpillar and are going to work on a combination of sight words and the motor skills to learn to read the days of the week. We have included links to products and books used in this activity. If you buy from these links you can earn a small commission. Materials needed Á clothespin face-back front-back Super Sticky TAPE OFFICIAL ERIC CARLE VERY HUNGRY CATERPILLAR Coloring Page Days of Week The words Laminator printer Preparation Start with the printing of The Very Hungry Caterpillar Coloring and both color in the images yourself or get yours Child to color them in, even print the days of the week words. Cut the fruit into groups and hungry caterpillar, as well as the single days of the week and then use the laminar laminating laminator. You can be able to print on paper and they don't need rolling to facilitate your grip. Once the words and food and caterpillar are laminated cut out around them and youÄ ě re ready to make your caterpillar hungry as possible to the food. On a clothespin put a strip of double-sided tape Super Sticky Á ě I love this brand as it really is sticky and remains locked, thereÄ ě s no disorder or waiting unlike glue and youÄ ě re ready to play with the caterpillar Hungry immediately. Remove the upper layer and then attach the Hungry with his head at the end of the peg that opens and closes when trapped. Learning days of the week sets food from history to the center of the table and days of the week around the food we left out Sunday. Then I showed h how to open and e the peg with the hungry caterpillar on. We have therefore revised the story Á ě ~ "on Monday the caterpillar ... So we started to find the word Monday, knew most of his letters and has been able to identify on Monday for me then we tried the apple and she held her while she was the caterpillar to eat and portÄ² on the day of the week and let go. we repeated with each set of food and finding the day of the week - on Tuesday and Thursday I gave the second letter of the word and has identified the Word and matched. the first few times we played this needed much support since © these are the first set of words we are trying to learn outside of the general ä, the, i, etc., etc. ... ItÄ Á »is a work in progress but as Connect with one of our favorite books, is something that we can come back from time to time. Inspired by this activity book based on Eric Carle then checks more Eric Carle books i recommend for most A' small children preschool. Eric Carle Activity by co-host of virtual books for kids clubs The Hungry Caterpillar The name game Very Hungry Caterpillar Á ě ~ "Toddler approved the activities very hungry Caterpillar spy Á ě ~" the thing most nice letter very Hungry Caterpillar. ~ ä "growing Book of Book Three Hunts Hunts i Hunts Á ě ~" Inspiration LABORATORIES VERY hungry Caterpillar Puzzle - Playdough To Plato Easy HampyPillar BACEPILLAR Ability motorsports - inspired Lalymom Lacing Letter to the Very Hungry Caterpillar Á ě ~ "The educators - turned the small seed two floral crafts for tiny seed - 3dinosaursi the chameleon chameleon mix DIY beads mixed Á ě ~ "Mama Miss Miss
