Answer this question.

You are going to spend a weekend with your friend from Scotland called Chris Stewart. Read the email you have just received from Chris and the notes you've made. Write a reply to Chris using all the notes (in red). You should write approximately 150 words.

To: Chris Stewart  
 Subject: Re: Coming to Glasgow

Hi Chris,

Thanks for your email. It's great to hear from you. I can't wait to come and visit!

So, about Friday ... I'd love to see your friend's band! What kind of music do they play? I'm thinking of starting my own band so it'll be good to meet your friends and ask them about it.

On Saturday, I'd prefer to go on the boat trip on the river. I'm not really a football fan to be honest. The boat trip sounds much more chilled out!

So, you're learning Italian? I'm impressed! Why don't you try and find an Italian to practise speaking with? If you find someone who's learning English, you could do a language exchange. It's the best way to learn. You should try to read some books in Italian as well.

You asked about my skateboard. I'm sorry but I can't bring it with me to Scotland. I've got loads of stuff and it's too big to fit in my suitcase.

I'm really looking forward to seeing you!

Best wishes,

Sira
