From the entrance of this room, turn right and lower a small group of steps. Then directly to the shelf above the wall to the opposite side from where the lift is. The team is on the right, next to a torch and small rocks. To acquire it, you must place a reference point at the end of the bridge. Following the path of the previous gear, find this gear next to the treasure site for the Broken Knee Search. Turn west, go uphill, and gear be right. Follow the shelves around the wall to the opposite side from where the lift is. The team is on the right, next to a torch and small rocks.
