Headquarters Which film tickets sell as Hot real-time cakes with A e a, - "The impulse - on iPadwhere Excels The Fandango app has all the foundations as the search for movies Showtimes for film, theater, GPS position or time frame, but also the best way to buy movies tickets with your phone. The ticket purchase system of the Fandango film (including the paper ticket without paper, scannibable), is used by several other film showtime apps and services, so why not cut the Middleman apps and go right for the source? You can save credit card information in the app and buy tickets for the cinema for your whole family at the same time with only a few taps. It a e a, - A "Co now" character allows you to transform a boring evening into A night of spontaneous movies on flying. See every theater near you, and which movies will play soon, so you don't have to do more research. Just choose the movie, buy your tickets in the app and go. You can get directions to The cinema, and Fandango lets you choose from the use of Google Maps or Apple Maps. If you have enabled notifications, you will receive a reminder that your movie is going starting in half an hour. In this way, if you are out and in Ride, you didn't win Sidetracked doing something else and don't miss the snacks before starting the show. The favorite favorites system of Gandango is also simple and simple. You can designate certain theaters as favorite destinations, EP ui keep an eye on the films that haven't come out yet. Select a theater or a movie inside the app and touches the heart at the top right. Some theater you preferred will be the first ones that appear in the list when you are looking for showtimes, which is nice if you frequent the same theaters most of the time. When you have your favorite movie, the movie is added to your list of your A e a, - ". Once there, you will receive news updates, exclusive offers and notifications when tickets go for sale so you don't miss the weekend Opening. Where Cade Banchfandango is not perfect, though. There are two things that keep the fandango from that title: announcements and revision scores. Regardless of which card is in the Fandango app, there is usually a small one announcement banner along the top or bottom of the screen. Occasionally you receive ads in full screen while you change the cards. There is no version of not A e a, - A A "Premium" or registration or app to get rid of them, So they could be frustrating for some. When it comes to the Fandango review scores, they are not available as the scores you are in a e
