All Rights Reserved. Last week's episode of Riverdale gave us the first glimpse into the show's new era after a seven-year time jump. After spending time in the Army, Archie came back home to find his beloved hometown was not as he last left it. With Toni reigning as Serpent Queen there to show him what all has changed and what needs saving, Archie calls his old friends back to town to help, bringing the core four back together after seven long years. There are still plenty of mysteries ahead and questions to answer about what has happened over the last seven years. Let's find out what's in store with this week's episode. According to IMDb, the official synopsis for "Chapter Eighty-One: The Homecoming" reads: Toni, Alice, Archie and Kevin fight to keep Riverdale High open after learning that its budget has been cut. Veronica gets creative when she discovers Chad is having her followed. Jughead starts a new job after debt collectors show up in Riverdale.
