An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent. 27/04/2022 - I am sure this diary would have been a mystery to him which he would not have brooked. He would have taken or destroyed it. As I look round this room, although it has been to me so full of fear, it is now a sort of sanctuary, for nothing can be more dreadful than those awful women, who were—who are—waiting to suck my blood. 18 May.
