Depending on the book, anywhere from about 60% - 80% of the original content has been removed. This includes songs to learn, exercises, tips, audio content. They shouldn't advertise this as 6 of the original books made into one because it simply isn't. I was excited to get this book and now I have to go through all the hassle of returning it. Jazz is a music genre that originated in the African-American communities of New Orleans, Louisiana in the late 19th and early 20th centuries, with its roots in blues and ragtime. Since the 1920s Jazz Age, it has been recognized as a major form of musical expression in traditional and popular music, linked by the common bonds of African-American and European-American. An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent. 27 Lessons at JamPlay. David Ellefson has been a mainstay in the rock and metal communities for over 25 years.
